NARRATIVE HISTORY OF FLIGHT (Please type or print in ink)

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State time and point of departure, intended destination, and services obtained. Early Morning takeoff from a small airstrip. Failed to completely remove heavy frost before takeoff. Due to the amount and type of frost combined with load and required short takeoff area plane failed to gain altitude. Aircraft remained in ground effect until hitting a stationary object and coming to a rest.

RECOMMENDATION (How could this accident/incident have been prevented?)
