

NTSB RECORD OF CONVERSATION

Investigator name: Shaun Williams
Mode: Air Safety Investigator
Region: Alaska

Date: 23 August 2015
Person Contacted: Dan Brown
NTSB Accident Number: ANC15FA066

Narrative:

An interview was conducted with Dan Brown around 1115 Alaska daylight time on August 23, 2015, near the accident site of N3043E, mile 3.2 South Coho Loop Road, Kasilof, Alaska.

Mr. Brown stated he did not see the airplane prior to the impact, but heard it fly overhead. He heard a sound similar to a power surge just before the impact. He was the first one to arrive on-scene and immediately following his arrival, a post-crash fire began consuming the wreckage. He was unable to get close to the wreckage due to the fire and exploding ammunition.
