NARRATIVE HISTORY OF FLIGHT *(Please type or print in ink)*

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and location, services obtained, and intended destination. Provide as much detail as possible.

I departed PAVD to do some off airport operations. After over flying a grassy unimproved landing spot about 8 miles from PAVD I made an approach that resulted in being to low to make the threshold of the landing area. The gear on the plane struck a bank. This resulted in me landing on the belly of the plane.

RECOMMENDATION (How could this accident/incident have been prevented?)

Operator/Owner Safety Recommendation

Avoid landing in this area until more recon could be done and more off airport practice.
