Transportation Safety Board of Canada
Mr. Jason Kobi, Investigator-in-Charge

Dear Mr. Kobi:

Thank you for notification of the accident involving a De Havilland DHC-2, C-GWDW, A16P0116, which occurred on July 15, 2016.

In accordance with the provisions of Annex 13 to the International Civil Aviation Organization (ICAO), I have been assigned as the U.S. Accredited Representative to the investigation. However, based on the information presently available, I do not plan to travel to the scene at this time.

Please be advised that a technical advisor can be assigned at your request, and can be directed to provide any data or other technical support necessary to assist you in the investigation.

As you know, the NTSB interest in this investigation relates to the rights and obligations of the State of Design and Manufacture of the airplane and engine contained in Annex 13 to ICAO. Additionally, our interest is related to the responsibility of the State of Design and Manufacture for continuing airworthiness contained in Annex 8 to ICAO.

If I can be of any further assistance, please contact me.

Sincerely,

Noreen Price
