

RECORD OF CONVERSATION

Noreen Price
Aviation Accident Investigator
Alaska Regional Office

Date: July 19 and 23, 2018
Persons Contacted: Aaron Rocereta, Director of Operations Ravn Air
NTSB Accident Number: ANC18FA055 N9878R Regal Air

Narrative: Mr. Rocereta was the director of operations for Ravn Air when Mr. Colt Richter, the accident pilot, was a full time first officer at Ravn. Mr. Rocereta was interviewed by telephone This is a summary of his statements.

Mr. Rocereta stated that pilots were permitted to fly for other companies provided that they notified Ravn and logged their flight time with them so that crew rest and flight hour limitations were not exceeded. However, Mr. Richter did not do that, so the company was unaware that he was flying for other operators.

Mr. Richter visited him on the afternoon of the accident. He requested to get qualified for charter flights and to rearrange his ground school schedule to accommodate more flight time and required training before he left for medical school in the fall. He wanted to get 1000 hours of 121 time before leaving.

Mr. Richter was a “real go-get- getter.” He appeared well rested and his usual self the day of the accident. He did not mention anything about flying for Regal Air that afternoon.

Mr. Rocereta provided emails of Mr. Richter’s schedule and crew duty records. They are listed below.
