Potential Witness Statement from a call in to the KHP. Ron Hoffman [REDACTED].  
Witnesses was approximately 1 and a half miles south of the WhiteWater cemetary on the east side of the road approximately 5.8 miles away.

Witness saw a small green helicopter type aircraft flying around 2pm (1400) on the afternoon of 11-03-2020. Witness said aircraft flew in from the SW then flew up around whitewater then back to the SouthEast. Witness stated that the aircraft was well above trees and powerlines possibly around 300 ft in altitude. Witness was not able to make out the pilot or passenger in the cockpit from their location. Witness could hear the engine running and stated that it sounded fine. Witness also stated that the aircraft was flying at a slight nose up attitude.

Potential Path of Flight based on witness statement...approx. 18.6 miles
