Description of Damage to Aircraft and Other Property (Use additional sheet if necessary)

Right wing tip, bow, rear spar, and rear strut.

NARRATIVE HISTORY OF FLIGHT (Please type or print in ink)

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and and location, services obtained, and intended destination. Provide as much detail as possible.

Finished fishing on the Kustatan River. Second Landing area upstream from the mouth of the river. Departure approximately 3:40 PM. 8/28/21. Walked the area of take off because there was water in grass covered ruts in the normal landing area. On takeoff, I stayed to the left of the ruts. Light quartering headwind from the right with occasional gusts. Heading was downstream with the KUSTATAN RIVER on the right left. Attained over flying speed and lifted off. A wind gust lifted the right wing when the plane was approximately two feet above the surface. The left wheel touched the ground. The left wheel apparently hit a grass shelf. The plane was elevated and rotated in a hard left turn. There was no place to push the nose down while 10 foot in the air and rotating over brush and headed for the river approximately 150 foot away. I let the plane play the rotation out while 10 foot in the air, winding up 180° from the departure heading. Started to put the plane down. Moose stall occurred. The up hill wing stalled and snapped downward to the right. Right wing tip hit the ground and popped backup. Kept stick back and with power controlled the plane. Taxied back to the start point.

Narrative History of Flight.

Inspection of damage revealed wing tip
bow, rear spar and rear strut damage.

I attempted to phone Anchorage for
help. When the phone had worked many
times before, there was no reception.
I used 122.7 to contact tourist flights
that were flying in the vicinity. One
answered. I gave him my name and
wife's phone number. The person that
answered called the flight service (Kenai)
This set in motion assistance. 2 cubs
showed up at about 6:00 PM. and took
me to Trading Bay. Astinson was there,
which delivered me to Lake Hood strip
in Anchorage (PALH)

7:30 PM. 8/28/21
Returned NTSB call to Mr. Bui Banning.
He said cleared to repair, texted picture
off damage to him (cell- [REDACTED])
