

MEMORANDUM FOR RECORD

Allison Diaz
Air Safety Investigator
Office of Aviation Safety

Date: July 5, 2022
NTSB Accident Number: ANC22LA059
Persons Interviewed: Jonathan (Jon) Kruger

On July 5, 2022, I spoke with Mr. Jon Kruger through the FAA Alaska Regional Operations Center. He provided the following information:

- He was landing his airplane, N73AK, near Beluga Lake on Thursday, June 30, 2022, around 1800 AKDT when the airplane caught a gust of wind and was flipped over during the landing roll.
- The accident occurred off-airport.
- He stated that the airplane was being moved to Sterling Airport in the next couple of days.
- When asked if the airplane was flyable in its current condition, he stated that it was not.
- When asked if there were any mechanical issues with the airplane that contributed to the accident, he stated that there were none.
