METEOROLOGY

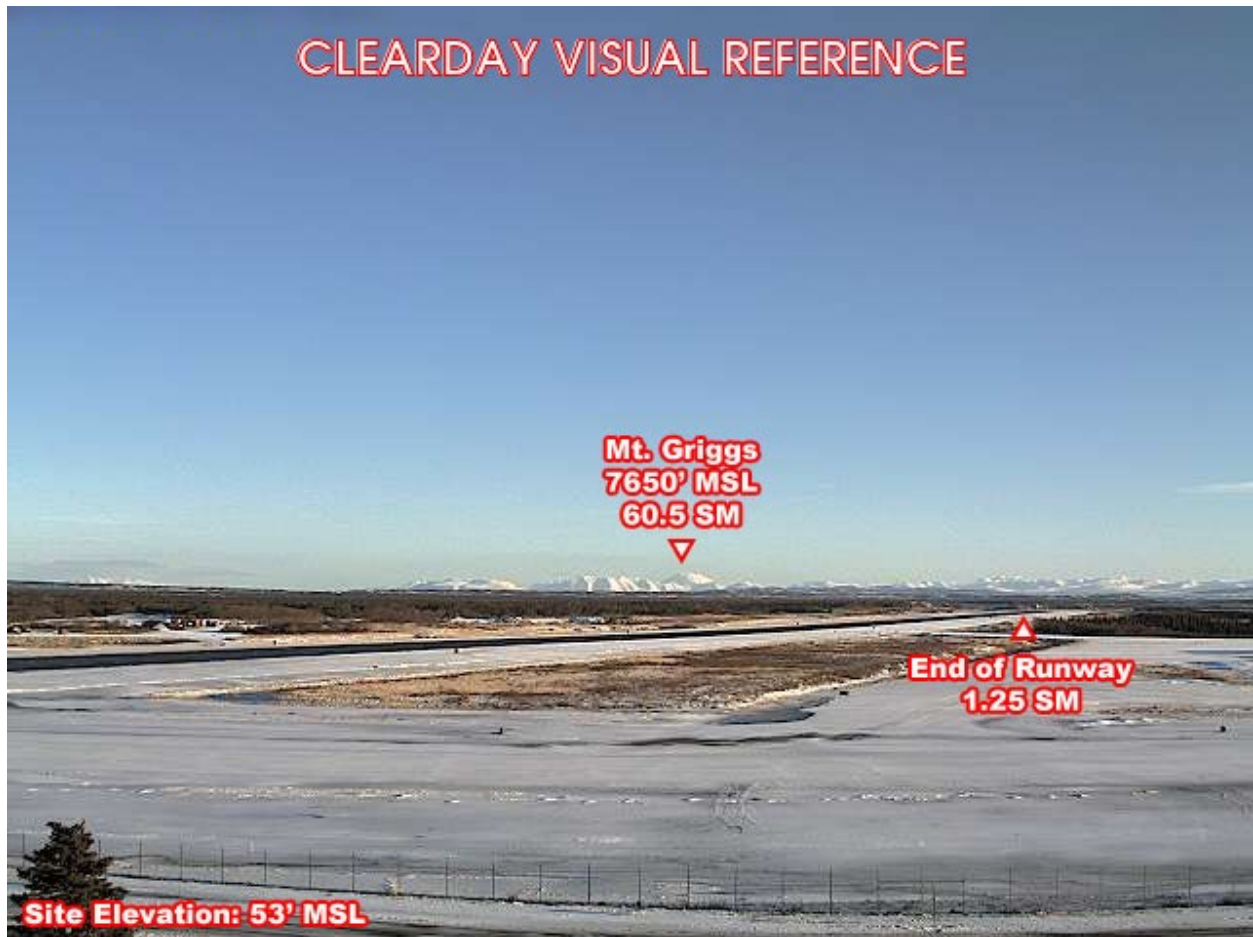

Attachment 1

September 30, 2024

Submitted by:

Mike Richards
Senior Meteorologist

Presented here are images from the 4 King Salmon FAA weather cameras sites taken during the times surrounding the accident time. These cameras were located about 1 mile north of the accident location at an elevation of about 50 feet. Preceding each camera's images are the clear day visual reference images for that camera.

Clear day image for the east-facing King Salmon weather camera.
