## VFR Transponder Certification

Date: 09-06-18

N<sub>17</sub>

~~N3125D~~ N5789C

WO# 44849

TSO Transponder S/N

20532

was

bench tested according to FAR 91.413 (a) and (c) and found to comply with FAR 43 Appendix F. The transponder system must be operationally tested in the aircraft in accordance with an appropriate ATC radar facility to validate proper function before the Transponder System can be returned service.
