☐ Minor	☐ Destroyed	☐ In-Flight	☐ Fire at Unknown Time	☐ In-Flight	☐ Fire at Unknown Time
	☐ Unknown	☐ On-Ground	☐ Unknown	☐ On-Ground	☐ Unknown

Description of Damage to Aircraft and Other Property *(Use additional sheet, if necessary.)*

Right wing struts damage from contacting parked VW Bug. "Bulldog" nose from contact with parked trailer.

NARRATIVE HISTORY OF FLIGHT *(Please type or print in ink.)*

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and location, services obtained, and intended destination. Provide as much detail as possible.

Big field approach to small field (intended landing area) near a residence, with a raised 2-foot-high driveway separating the fields. Left quartering headwind about 15-20 mph. Lost wind just prior to raised driveway, touched down just prior to driveway which launched plane into the air. Determined to go around rather than make an ugly landing; however, air was totally dead so plane was unable to gain altitude fast enough. Two options: fly into trees, or land quickly and thread between parked vehicles. Landed plane, but right struts contacted parked VW Bug, which turned plane, causing it to strike a parked trailer.

OPERATOR/OWNER SAFETY RECOMMENDATION *(How could this accident/incident have been prevented?)*

Should have landed in the big field and taxied to the little field!

MECHANICAL MALFUNCTION/FAILURE (If more space is needed, continue on a separate sheet.)Was there Mechanical Malfunction/Failure? ☐ Yes ☒ No

(If yes, list the name of the part, manufacturer, part no., serial no., and describe the failure.)
