1235	South operation, runway change checklist complete. -- RD			
Q 1324	STARS/DALR facility investigating possible overdue aircraft N42333 VFR helicopter enroute from Georgetown KY, to AID called BDR for advisories. N42333 advised BDR he needed to descend to maintain VFR. CVG lost radar contact and advised N42333 that we had lost RADAR contact. No reply was received. We made several attempts on all frequencies to re-establish communications, all without success. LEX, SDF, & IND approaches were all asked to try transmitting to the aircraft without success. Several air carriers in the vicinity were asked to try to communicate, all without success. CVG airport police, KY state police, OHIO County Sheriff and Boone County Sheriff's advised and queried about any reports of downed aircraft. All agencies responded negative to any reports. An N number inquiry was done and the owners name and phone number were located and a message left on the home phone to contact us. TT-NA/BDR -- RD			
Q 1353	DAL1459 B738 CVG-DEN returned with a cabin heat problem. No assistance required, DEN notified, ATC services normal. Item closed. -- RD
