AEP -TX Transmission Forester
04 APR 2012

Statement concerning landing at Corpus Christi Airport
with Lewis Travland on 03 APR 2012 at about 1545.

I was a passenger in the helicopter. We were
returning from Edinburg, TX. As we were preparing
to land, we made a hard landing from about
50 ft. I did not notice anything unusual as we
came in. I was not injured, and I feel fine
today.
