Dear Mr. Luke:

The National Transportation Safety Board has received notification of an accident involving a GN-1 Aircamper, N31TM, near Burlington, Wisconsin.

I am submitting the NTSB Form 6120.1 for you to complete. Rules pertaining to aircraft accidents contained in Part 830 of the Safety Board regulations require that the pilot or operator submit a completed Pilot/Operator Aircraft Accident Report form. This form should be returned to this office within ten (10) days after receipt of this letter. Please carefully read the instructions to make sure the required information is put in each applicable box. Be thorough as possible, paying particular attention to the aircraft information. If possible, the form should be typed or completed neatly in black ink.

Please use the enclosed envelope when returning the pilot/operator report to this office.

Sincerely,

[REDACTED]
Mitchell Gallo
Air Safety Investigator

UPS CampusShip: View/Print Label

1. **Ensure there are no other shipping or tracking labels attached to your package.** Select the Print button on the print dialog box that appears. Note: If your browser does not support this function select Print from the File menu to print the label.
2. **Fold the printed sheet containing the label at the line so that the entire shipping label is visible.** Place the label on a single side of the package and cover it completely with clear plastic shipping tape. Do not cover any seams or closures on the package with the label. Place the label in a UPS Shipping Pouch. If you do not have a pouch, affix the folded label using clear plastic shipping tape over the entire label.
