

RECORD OF CONVERSATION

Arnold W. Scott
Senior Air Safety Investigator
Central Region

Date:
Person Contacted:
NTSB Accident Number: CEN13FA465

Narrative:

While conducting the on-scene investigation, Craig M. Patterson, an FAA Aviation Safety Inspector with the Lubbock (TX) FSDO, interviewed the driver of a road grader who was located ½-mile north of the accident site. The grader operator saw the airplane flying straight and level, and saw it strike the meteorological tower.
