Subject: RE: Substantial Damage Airplane accident 13 miles NE of Grand Junction, CO, N9172W, Piper PA-28-235

Date: Monday, March 17, 2014 1:05:19 PM

Mr. Latson,

We've looked through our closed cases (14 March, 13 & 15 March just to be sure) and did not find any record of AFRCC involvement with this crash.

We also did not find any notes or incidents of an ELT signal on the date/time you listed below. Let us know of any other questions.

V/r,

Theresa M Carter-Daniel, SSgt, USAF
Search and Rescue Duty Officer
Air Force Rescue Coordination Center
