

ON SATURDAY, JUNE 21ST I got A Load of Chemical for Bowman Farms on my Airplane. I took off from my Hanger and flew to the field, and made 1 full pass thru the field and under the wire. ON the Second pass, AS I was entering the field, I went under the wire, did not feel or notice that my tail had struck the wire. I then impacted the ground and slid Around 150 to 200 yards. I was Awake the whole time, I Remember everything About the Accident. I was transported to Harris Hosipitz, then med-Flighted to Memphis. I Recieved minor cuts and bruises and A broken Stomach. I was flying A New 2014 Airtractor 402B. N428JJ was the N Number. I Am owner and operator of Bell Flying Inc. Address is [REDACTED] Newport, AR.
