TURNED OFF the FRONTAGE ROAD onto 331 RD
GOING South, SEEN A Helicopter. FLYING REAL Low to
The RIGHT of me. Went A little over A mile up
331 ROAD when I STARTED hearing A Low Noise. I
STARTED SLOWING DOWN because I THOUGHT I'D BLOWN
A TIRE. THATS when I caught THE Helicopter ON
my LEFT Side. It HAPPENED very FAST, IT WAS
ROTATING with the NOSE pointed DOWN, It Hit the
GROUND REAL HARD. I STOPPED GRABBED my CELL Phone,
Ran ACROSS ROAD, where I could see The Helicopter
AND called 911.

@ Approx 11:10 Am I saw A/c Flying High/cross
power line on River Rd. W-E low level, A/c
made a RT Turn + proceeded South along small
power line approx. 3/4 mile. Large Bang ensued
& aircraft went out of sight. A/c was under
normal power @ the time it struck other
power line that ~~transmitted~~ crossed E-West.
Winds were calm, & OAT 30° F.
