

Excerpt from Nowata County Sheriff's Department Report of Aircraft Accident

Passenger Bozeman stated they were diverting to Claremore for fuel when the engine stopped. Passenger Watson stated the engine stopped for unknown reason and the pilot attempted emergency landing striking multiple trees. Pilot unable to make statement.

Witness Petty stated he observed aircraft fly overhead at low altitude approximately 50 feet above trees and the engine was not running. The aircraft then disappeared and witness Petty heard a loud "bang." Witness Petty then went to the location and assisted opening the aircraft doors and called the Nowata Sheriff's Department.
