COUNTY OF Ector

Before me, the undersigned authority in and for said County and State, on this the 22nd day of December, AD 2014 0852 hrs, personally appeared Ben Sorenson,

who, after being by me duly sworn, deposes and says:

I was traveling east on Hwy 158 approx. 2.5 miles west of FM 1936, when I noticed an airplane flying approx. 2.0 miles ~~to~~ Southeast of me. The airplane was flying to the north. The airplane then made a hard bank turn to the left (northwest) as if it was to ^{gang} turn and head the opposite direction. When the air plane was just about to come out of the bank turn the plane suddenly nose dived to the ground. I then turned onto the nearest lease road and headed to the crash. I then saw flames and smoke. I immediately called 911 and gave them the location of where the crash was. I drove about 400' away from the crash and walked on foot the the crash the plane was fully ignited and I did not see anybody near the plane, that could possibly be injured.
