I was out side when I heard a plane engine rise & fall. I turned to see a white plane mid way in a circle. The engine sound seemed louder than I would have expected. I came toward the top of the circle & twisted. It went nose down & the top of the plane was now facing me - white. It disappeared behind the tree line & instantly exploded.

I was out on my deck - starting grill for supper around 5:30-5:45 PM 7/27/15 heard what I thought was a low flying plane over the house somewhere.

I could tell it wasn't running good - I looked up and plane was spiralling down in kind of a fezy spin looked like it might have been doing stunts lost sight behind the shed and the tree line - heard nothing Saw black smoke cloud

I was in the kitchen eating lunch and a heart a plane really close flying over head and I heard his engine cutting in and out. It sounded as if the plane was spinning. I heard the engine stop completed followed by an explosion. I then called 911 and ran outside. There were people at the site trying to assist.

I called 911 at 5:24 pm and was on the phone for 1 min.

I would estimate that the plane would have crashed at 5:23 pm.
