I, the undersigned, having knowledge of an incident which Kansas Highway Patrol is investigating, do hereby of my own free will, voluntarily state the following:

I WAS coming in for final approach to runway 32L DDC Airport - engine failure as I banked to align for the runway. Attempted to land on a country road (Butler & Egg road?) - not enough airspeed to make it so the road and plane clipped some tree tops resulting in crash. WAS able to get out of plane - All passengers able to get out on their own.
