

RECORD OF CONVERSATION

Joshua Lindberg
Air Safety Investigator
Central Region

Date: 9/3/16

Person Contacted: Josh Karpinen and Angie Moxley (relatives)

NTSB Accident Number: CEN16FA344

Narrative: In a live conversation with the relatives, they stated the following:

- The girl was dropped off at the airport to fly with the pilot (her grandfather).
- The purpose of the flight was personal/leisure.
- The two frequently flew together because the girl wanted to be a pilot.
- It was very common for them to take local flights on the weekends.
- They were not sure which seat the pilot was in but probably the left seat.
- The girl had recently flown with the pilot to OshKosh, Wisconsin (OSH), for the EAA Young Eagles aviation camp.
- The flights were June 20, 2016 and June 25, 2016.

End of conversation.
