Nature of Case: Aircraft Crash

Report Number: 16-9980s2

Deputy: Aaron Roberts [REDACTED]

Source of Activity:

On Sunday, 06-19-2016, at around 14:30 hours, Deputies were dispatched to the area of 1610 N Teal Bottom Rd. for a report of an Airplane crashing.

Observations/Narrative:

Prior to responding to the aircraft crash, I had conducted a check well being at [REDACTED]. After clearing the call on Deer Run Rd at around 14:10 hours, I went south on Deer Run which ends at the 3400 Block of N. Teal Bottom. While traveling west around the 5400 Block of N. Teal Bottom, I observed an aircraft flying to my south on the east side of Route H. I estimated the aircraft to be at least higher than 1,200 feet. While watching the aircraft, I observed it perform an aerobatic upside down loop. The aircraft then continued to fly north behind my vehicle where I could not see it. I then rolled down my window to hear the motor, which sounded like an old P-51 Mustang.

I then continued on and went north on Route H. I observed the aircraft one more time on the east side of about the 14100 Block of Route H. I left the area and went to the Cole County Public Works to get fuel.

As I entered Public Works to get the fuel, the Dispatch came out of an aircraft crashing.

Upon arriving near the scene at around 14:53 hours, I left my patrol car on the road due to the terrain and got in with a first responder. I arrived on scene at the same time as a Cole County Ambulance, Fire and several First Responders. Upon arriving at the crash site, I observed the plane was detached from its wings and upside down. I also observed two white males outside of the plane who were already being treated. While at the crash site, I did notice that the aircraft had the same markings as the one I had observed prior.

I stayed on scene and assisted as needed until around 16:40 hours.

Arrest/OCN#: N/A

Evidence: N/A

Additional Information: N/A
