

Witness statement given to FAA ASI George Waddell
by James Nale [REDACTED]
His address is [REDACTED]

- Mr. Nale was outside in front yard.
- Noticed ~~about~~ airplane enter the area from the North.
- Airplane circled the field to the West over the railroad tracks, circling around to the South.
- Airplane entered the field from the South heading North, against the East edge of the field, right in front of Mr. Nale's house.
- He said engine sounded "good and strong" as it went by.
- ~~The~~ Just as the airplane pitched up, it went behind ~~the~~ a tree branch.
- Then saw a shower of sparks and witnessed the airplane impact vertical nose down.
