While sitting at Tom Wood Hanger I noticed an RVIA taxi out and turned to continue my conversation. Zack pointed out the fire at the end of Runway 15 and we jumped on a golf cart to see if we could help. On arriving at the A/C it was engulfed in flames but we approached to try and help. There were small explosions. We could see the pilot and he looked dead. The explosions continued so we moved back. The fire people arrived and tried to put out the fire.
