They arrived at my house and my grandma told me that 2 people were in a plane crash down the road and needed help. I drove them around millersburg to Walmart and Tru-value. We picked up medical supplies to treat the head injury on the pilot. After that we went back to the crash sight and he shut off the fuel and got the cargo from the plane.

Q. Did they get anything from Tru Value?

A. Bolt cutters we did not use

Q. Was any cargo marked prior to law enforcement arrival?

A. No

Q. Did the pilot say what

happen?

A. He said that when he was switching fuel tanks in the  
air that it wouldn't swap so he had to force a landing.

Q. How many people did you  
haul around?

A. 2 people arrived at my home and we picked up a 3rd  
at the airport.
