Dear Mr. Williams:

The National Transportation Safety Board has received notification of an accident involving a Beech 95-C55, N303QB, on January 18, 2017, at Blake Field Airport, Delta, Colorado.

I am submitting the NTSB Form 6120.1 for you to complete. Rules pertaining to aircraft accidents contained in Part 830 of the Safety Board regulations require a completed Pilot/Operator Aircraft Accident Report form to be submitted. The completed report should be returned to my attention within ten (10) days after receipt of this letter. The form is also available online at <http://www.nts.gov/report.html>.

Also, please provide your original pilot logbook(s), not copies, for review to the following address:

John M. Cosenza
Federal Aviation Administration
Aviation Safety Inspector (AVI)
[REDACTED]
[REDACTED]
[REDACTED]

The report may be submitted via email or facsimile to the address or phone number noted below.

Sincerely,

Mitchell Gallo
Air Safety Investigator – Central Region
National Transportation Safety Board
