SUBJECT

Submission of Pilot, Ken Gastel, statement after N362JS accident

DIGEST

At approximately 1:56pm on Tuesday, May 22, 2018 I spoke with Mr. Jonathan Sole regarding a rec fatal accident involving N362JS. When I asked Mr. Sole what happened, he said that the rotor blade initially hit the electrical tower that the aircraft was near, then the rotor blades struck the tail boom, disintegrating the aircraft.

This information was not synonymous with the Mr. Gastel's submitted statement.
