I, Jill Mancha was in bed heard
the plane putter of a plane ran
to door saw just as the plane hit
ground about 150 feet from my
front door. Ran with phone over
to field calling 911 as two other
men were also running to plane
pulling door off trying to get passengers
out... They were both gone the
one on the right looked or had a
little color but wasn't responding!!
Prayed over them with the other
