

RECORD OF CONVERSATION

Jason Aguilera
Senior Air Safety Investigator
Central Region

Date: May 15, 2018
Person: Dwayne Hudson & Edward Malinowski
NTSB Accident Number: CEN18LA165

The accident occurred on May 8, 2019. Inspector Dwayne Hudson from the Greater Chicago FAA FSDO responded to the accident and documented the wreckage. Edward Malinowski was the Central Regional Duty Office who collected the initial information until assigned to myself.

During the course of the investigation, the following observation was collected:

- There were no reported mechanical malfunctions that contributed to the accident.
- The CFI reported that the student applied too much power to the “good” engine during a go-around maneuver for single engine training.
