

RECORD OF CONVERSATION

Timothy N. Sorensen
Aviation Accident Investigator
Central Region

Date: November 14, 2018
Person Contacted: Andrea Reinert
NTSB Accident Number: CEN18LA378 – Hereford, Texas

Narrative:

Ms. Reinert was the pilot of the accident flight. She stated that the flight was departing Hereford at the time of the accident. The intended destination was Big Lake, Texas. She had no memory of any portion of the accident flight, including the arrival at the airport and the pre-flight portions.

Ms. Reinert reported that she was well rested in the days before the accident and had no health issues that might have impacted her fitness as pilot-in-command. She also noted that there were no issues with the airplane during the flights before the accident flight.
