

RECORD OF CONVERSATION

Timothy N. Sorensen
Aviation Accident Investigator
Central Region

Date: November 14, 2018
Person Contacted: Frank Riner, Aviation LS
NTSB Accident Number: CEN18LA378 – Hereford, Texas

Narrative:

The pilot had informed Mr. Riner that the pilot and front seat passenger weighed 120 lbs. and 180 lbs., respectively. The passenger seated in one of the center seats weighed about 270 lbs. The passenger seated in one of the aft seats weighed between 300 and 350 lbs.

The airport manager informed Mr. Riner that the airplane was topped off before the accident flight.
