Subject: date correction for 180QT
Date: Tuesday, October 16, 2018 7:59:20 AM

Mr. Palmer,

On my previous e-mail to you I made an error in the date.

I did check the self serve and daily activity log for Saturday October 13th 2018

And not the 18th.

And as I wrote neither log shows that N180QT made a stop at
LaGrange Callaway Airport.

Sorry for the typing error.
