

RECORDS OF CORRESPONDENCE

Michael J. Folkerts
Aviation Accident Investigator
Central Region

Date: November 5, 2018
NTSB Accident Number: CEN19FA021

Mr. Mark Caven, a flight instructor of the accident pilot, provided the following information:

- The accident pilot started flying on the last couple days of March 2018, and worked diligently to finish his private pilot license in May 2018.
- Training was accomplished in flight school's Cessna 172s.
- After accident pilot received check out in a Cessna 210, he flew it back to Webster, SD.
- Pilot subsequently purchased the accident airplane.
- Estimated flight time was 150 hours total and 60 hours in the Cessna 210.
- The accident pilot was conscientious and did not appear to be a risk taker. He planned to start instrument flight training soon.
