Aircraft crash investigation

REPORTING OFFICER NARRATIVE*Harris County Sheriff's Office*

Victim <i>WALLER, CALVERT J</i>	Offense <i>MAJOR ACCIDENT</i>	OCA <i>1901-09978</i>
		Date / Time Reported <i>Thu 01/31/2019 16:10</i>
THE INFORMATION BELOW IS CONFIDENTIAL - FOR USE BY AUTHORIZED PERSONNEL ONLY		

*****SCENE SUMMARY*****

The scene was what appeared to be a single-engine aircraft that appeared to have crashed, nose down in an open field approximately 100 yards northwest of the 221000 block of Westerpine Lane.

The debris field appeared to extend north from the aircraft wreckage in a northwest pattern.

Westerpine Lane was a two-way, public access roadway in Harris County, Texas designed for east and west travel.

The weather was overcast, rainy, and windy. Visibility was very poor.

*****INVESTIGATIVE NARRATIVE*****

On Thursday, January 31, 2019, at approximately 16:17 hours, I, Deputy J. Gabriel, [REDACTED] in full uniform and driving marked patrol car [REDACTED], was dispatched to the 22100 block of Westerpine Lane in reference to an Accident involving an aircraft.

Upon my arrival, I travelled about 100 yards northwest of the residences and came upon an open field with what appeared to be a downed aircraft with its tail in the air. There did not appear to be any visible persons inside and there were no sounds heard coming from the cabin, which appeared to be buried under several feet of soft ground.

Cy-Fair EMS and FD were dispatched to this location and eventually extricated the pilot, identified by his State of Texas Driver License as Calvert Waller. Upon discovery of Mr. Waller, I observed severe injury and no immediate signs of life.

DPS Trooper Sellars, [REDACTED], arrived and took over the primary investigation.

FAA investigators Justin Kelly [REDACTED] and Ramon Reyes [REDACTED] made the scene after the Regional FAA office was contacted. I also spoke with Ms. Courtney Liedler from the National Transportation Safety Board (NTSB), who informed me she was enroute to this location from Denver, CO and would arrive Friday, 2/1/19.

I spoke with two witnesses, Ms. Gaylene Wier and Mr. Boyd Wedding, who were identified by their State of Texas Driver Licenses.

Although at separate locations, both Mr. Wedding and Ms. Wier both indicated that at about 4:10 PM they observed what they thought was a low flying aircraft travelling in a general northwest direction. Ms. Wier told me she saw the aircraft clip the power lines at the intersection of Kieth Harrow Blvd and Westfield Village Dr. She stated she saw the aircraft immediately go nose up. She heard the engine sputter and then saw the aircraft go nose down, almost in a nose dive. Both she and Mr. Wedding stated they lost visual of the aircraft and saw it going down, but didn't hear any loud sounds or see any smoke.

For additional information, see body worn camera footage involving witness interviews.

Body worn and Dash Camera footage available. Footage not reviewed prior to writing this report.
