**United States - NTSB**

O/Ref: N° 4912 / BEA / INV

Subject: **Appointment of an accredited representative and technical advisors**  
**Accident to AEROSPATIALE - AS350 - B3 / N818MC on 27/03/2019 near**  
**National Park Montgomery (Texas).**

Dear *Jason*,

Thank you for the notification that you sent to the BEA concerning the  
aforementioned accident. In accordance with the provisions of Annex 13, we  
have appointed as accredited representative:

- **M Frédéric AIME**, BEA investigator,

He will be assisted by the following technical advisors:

- Julien FRAENZEL, Airbus Helicopters ;
- Seth BUTTNER, Airbus Helicopters USA;
- Xavier AZEMA, SAFRAN Helicopter Engines ;
- Brian LARIMORE, SAFRAN Helicopter Engines USA;

M Frédéric AIME does not plan to travel to the site of the accident but remains at  
your disposal for any assistance you may require.

Our technical advisors remain at your disposal for on-site assistance if required.

You may contact M Frédéric AIME by phone or e-mail:

[Redacted contact information]

The BEA remains at your disposal for any aircraft parts examination that might be  
required.

Unless you instruct us otherwise, we will publish on our website the  
information that the United States - NTSB is opening an investigation on this  
accident, with the participation of the BEA. This information would appear on  
our weekly list of newly opened investigations and would include the summary  
of circumstances you have provided us in your notification.

Best regards,
