

MEMORANDUM

Arnold W. Scott
Senior Air Safety Investigator
Central Region

Witness Thomas Grenier submitted a dashcam video along with his statement (https://drive.google.com/file/d/1Ub2m3ZOO_QeHb-IVdbuHvxnSpv6zOIh/view?usp=sharing). For a while, the hyperlink opened without a problem.

Recently, when an attempt was made to open the hyperlink, a message from Google appeared: "Sorry, the file you have requested does not exist." The hyperlink had expired.

Previous viewing of the dashcam video depicted the vehicle travelling east along Interstate Highway 70. An airplane appears to the left going east, parallel to I-70. It then crosses the highway going south, then banks east again and descends out of sight.

A blinding bright, rising sun was directly in front of the dashcam.
