NTSB Accident Number: CEN19FA332

Narrative:

The Washington County Sheriff's Office collected the following information concerning the accident:

On September 23, 2019, at approximately 8:42 PM, Washington County dispatch received the first call of an airplane crash from a local resident. He informed dispatch he witnessed the airplane crash, it was a smaller plane, landed about a half mile east of his property. The caller could hear the plane stalling and then it went into a dive into the ground. Caller could not see anything from the field he was in, no smoke.

The second call was received at 8:44 PM, from another resident. The distance between the two addresses is approximately 6,250 feet in a south, southeast direction. The caller stated he only heard the crash, he can smell gas very strongly, and could not see any of the wreckage. The plane hit further up the hill from his home, he sees no smoke, and the terrain is difficult to get to.
