NARRATIVE HISTORY OF FLIGHT (Please type or print in ink)

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and location, services obtained, and intended destination. Provide as much detail as possible.

We took off out of KFSM. Did a few laps in the traffic pattern. We then departed the pattern and went east to do private pilot maneuvers. Later get used the airplane. We then turned back to KFSM. I switched full tanks and about a minute later the engine quit. I took controls and tried restarting the engine. The ground was coming fast so I decided to land it. I was too far from KFSM and the river was south of KFSM. We saw flat farm land fields but they had standing water in them. The highway was the only place suitable for a landing. As we got close we ran out of speed and I landed hard. We then slid off the road into a ditch.
