

CASE NOTES

Jason Aguilera
Senior Air Safety Investigator
Central Region

Date: July 22, 2019
NTSB Accident Number: CEN19LA233

During the course of the investigation, the following information was collected by the responding Federal Aviation Administration inspectors:

Oklahoma Highway Patrol reported that at approximately 11:51 AM CDT, in Marshall County, OK. A Cessna 172H (N8251L) was involved in accident on US 70 shoulder near Catfish Bay

The airplane was taking off from the Lake Texoma Airport (F31), Kingston, OK. The pilot reported a loss of engine power after departure and was unable to climb. The airplane continued straight ahead, colliding with a sign and then a vehicle travelling on the highway and came to rest in a golf course. The pilot held an expired student pilot's license. He and his passenger were not injured. The occupant of the vehicle was also uninjured.

No ATC services were provided.

The engine was transported to Air Salvage of Dallas.
