

RECORD OF CONVERSATION

Joshua Lindberg
Air Safety Investigator
Central Region

Date: September 12, 2019

Person Contacted: Rick Petroff, Western Edge Aviation, Dickinson, ND

NTSB Accident Number: CEN19LA311

Narrative: In a phone conversation with Mr. Petroff, he stated the following:

The accident airplane was recently in his shop for maintenance. The pilot did not pay for the maintenance work completed and took the airplane back to his home without permission. Rick kept the airplane logbooks at the maintenance shop until the pilot was willing to pay his bill. The airplane had not had a recent annual inspection and was not in good shape overall.

End of conversation.
