It will be the Avflight FBO

3121 W Circle Dr
Lansing, MI 48906

This is where they can meet you and pick you up.

Are there still going to be 4 of you?

Same pilot as last time. I was going to go but I have a trip, I'll probably still meet you all at the airport in the morning. Look for a text for me to introduce you to Joel (your pilot) so you have his contact info.

Troy

We are fly to Capital Region Int'l Airport. Where do we exit the airport? Our "host" while we are up there is going to pick us up, and I wan tell him where we be arriving.

I just need to talk to the other owner this evening to make sure his calendar is clear Tuesday and I will get back to you. Price would be right around \$[REDACTED] or less.
