A satellite map from Google Earth showing a mountainous landscape. A large, irregularly shaped reservoir with light blue water is located on the left side. A prominent red line, possibly a road or pipeline, runs diagonally from the top right towards the center. The terrain is covered in dense green vegetation. A white line, likely a road or boundary, runs horizontally across the middle of the image. In the bottom left corner, the text "Google Earth" is visible. In the bottom right corner, there is a north arrow pointing upwards and a scale bar labeled "2 mi".
