

INFORMATION FROM SAN ANTONIO POLICE DEPARTMENT

Jason Aguilera
Air Safety Investigator
Central Region

The following are excerpts from information obtained by police officer with the San Antonio Police Department.

At 18:27:31, 9-1-1 received the first call informing them of an airplane crash.

At 18:29:47, a called reported see a helicopter or small airplane "fall from the sky."

While conducting on-scene activities, a responding police officer made contact with a witness. The witness stated "she saw the airplane flying West and then turned around flying East. [She] stated when the airplane turned back flying East, the plane turned nose down and went straight into the ground."
