

RECORD OF CONVERSATION

Michael Folkerts
Aviation Accident Investigator
Central Region

Date: February 23, 2020
Person Contacted: Tim Sipes
NTSB Accident Number: CEN20FA096

Narrative:

Mr. Sipes witnessed the accident and provided following information during a telephone conversation:

- He noticed the airplane flying very low from the northwest toward the southeast near the river.
- The airplane appeared to Mr. Sipes as if the pilot was attempting to land on the river.
- He noticed the airplane's bank angle increase, followed by a loss of altitude and he heard the airplane impact the ground.
