Afternoon Kevin,
Thank you for your patience as I round up all this info.

Mitch began employment with us 08/17/2016
He was a flight instructor and also was on our Charter Certificate for a while (12/2017 through 2018 and a few flights in 2019) for the EMB-500. He was taken off of 135 when he went to Part 121/airlines. He still remained employed with us though as a flight instructor and then Director of Flight School.

Attached you will find:
Completed hours in the Cessna (over the course of time we've had 2 different Cessna's and he's flown both)
Other total hours completed with us (outside of the Charter operation)
Medical Card & Commercial License

I hope this captures everything you were looking for. Please let me know if you need anything else.
