We departed Columbia Mississippi headed to Picayune Mississippi about ten minutes into flight the engine made a different tone. Stanley said we were not going to make it to the closest airport, he landed on a small road but it wasn't long enough, so we went into the trees. We all got out and thanked GOD and called a friend to come get us.

Thanks for the pictures. I would also like to ask you if you could give a statement the day of the accident. You can email the statement to me.

Thanks
