Josh,

I had one picture of the logbook that didn't come out, but I have these times (exclusive of the .4 or so he flew on the accident flight) –

	Total	Last 90 days
Flight time	63.5	50
Dual received	53.4	39.9
PIC	10.1	10.1
Day	57.4	43.9
Night	3	3
X-country	31	31
Sim Instrument	3.1	3.1
Day landings	150	104
Night landings	10	10

ISP is going to retake the logbook photos.

Steve
