State of Lic. or ID#:

My boyfriend and I were driving down I-70 E bound when we saw a helicopter in the sky. It was flying normal at first and then all of a sudden we saw it start to spin out and do a nose dive toward the ground and crash. We saw the dust go up when it crashed, and my boyfriend immediately called 911. Then we saw the smoke from the fire and headed to the scene in order to give a witness statement if needed. The officer in vehicle #653 told my boyfriend to stay in case the statement was necessary. We finally talked to another officer who gave us these papers.

All of this information is true and correct to the best of my knowledge at this time. 8:33 am on July 11, 2020.

My girlfriend & I were driving down I-76 east bound & I seen a helicopter & I mentioned it. I watched it start to lower for a landing & it took a nose dive & started to spin out of control. It did several spins & looked like it dropped about 150-200 ft out of the air & hit the ground & made a huge dust cloud & white smoke. I called 911 at 7:35 & reported I seen a helicopter go down & gave them all the details I had at that time. I then drove to where I believed I saw it go down & met officers. A officer in a Ford F-150 #653 told me to stay so I could give a statement. ~~He said~~ Another male seen the crash as well but had to leave. He gave me his number 970 366 8422. His name is Dakota Bell and he said to call if ~~th~~ he was needed for anything.

All this information is correct to the best of my knowledge at this time. 8:30 am on ~~July~~ July 11 2020
